

Monogrammed Dupioni Silk Sachet/Gift Bags.

Photos of these luxurious sachet bags have been emailed to us by Bobbie Berry from Memphis. Bobbie, thank you again!

Bobbie created these bags from dupioni silk and decorated them with matching ribbons, tassel and initials from Royal Heritage alphabet. Scroll down to see close-up photos:

Tips:

1. See how much the trimming adds to this project. It's so simple and so beautiful. Everything matches - the colors, the material. Be sure to find some nice trimming for your project - the key is that it should match the main fabric by color, and preferably fiber. Metallic thread and trims create a very festive and expensive look, so if that's what you want to achieve - consider going for metallic. You may find metallic thread in 15 colors here:
